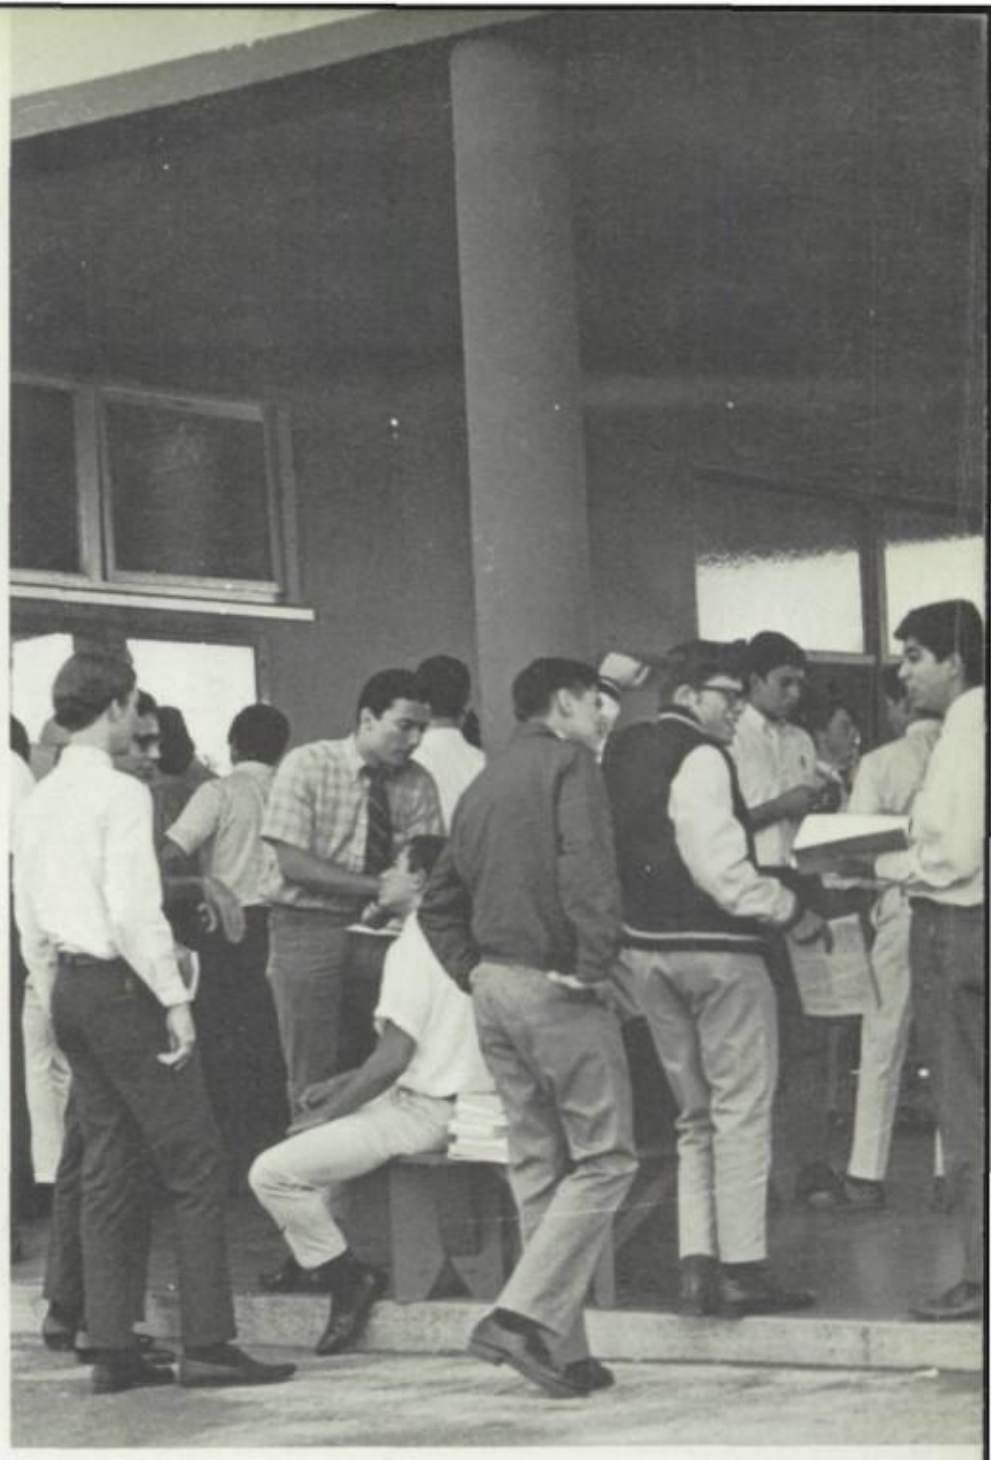
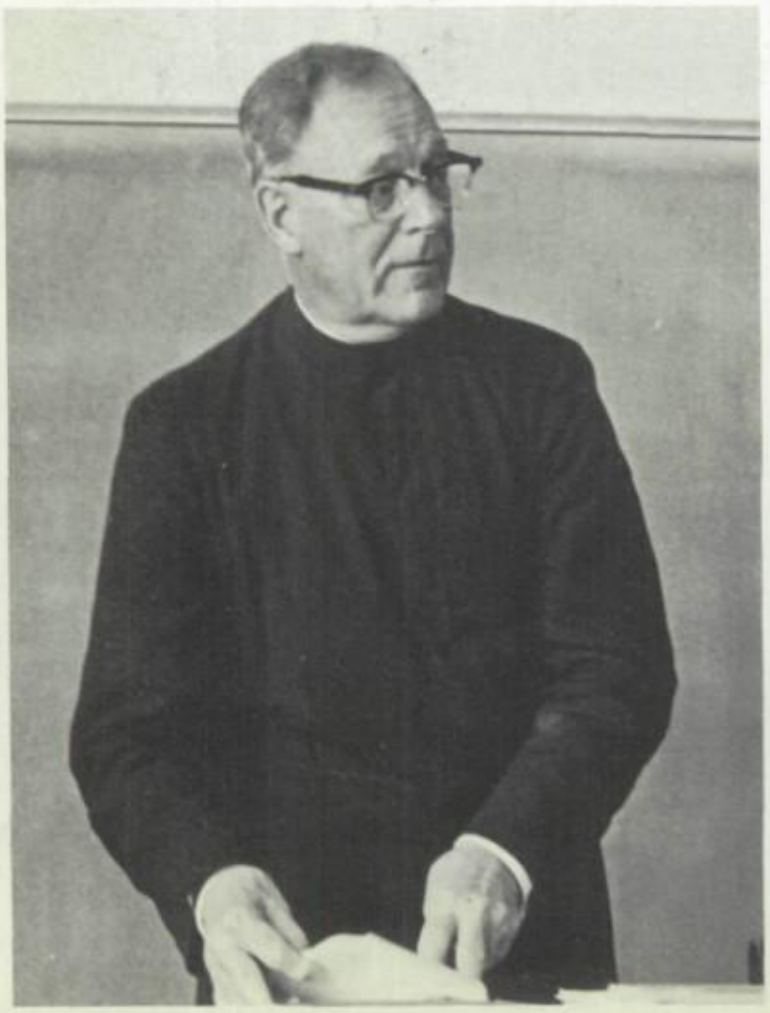
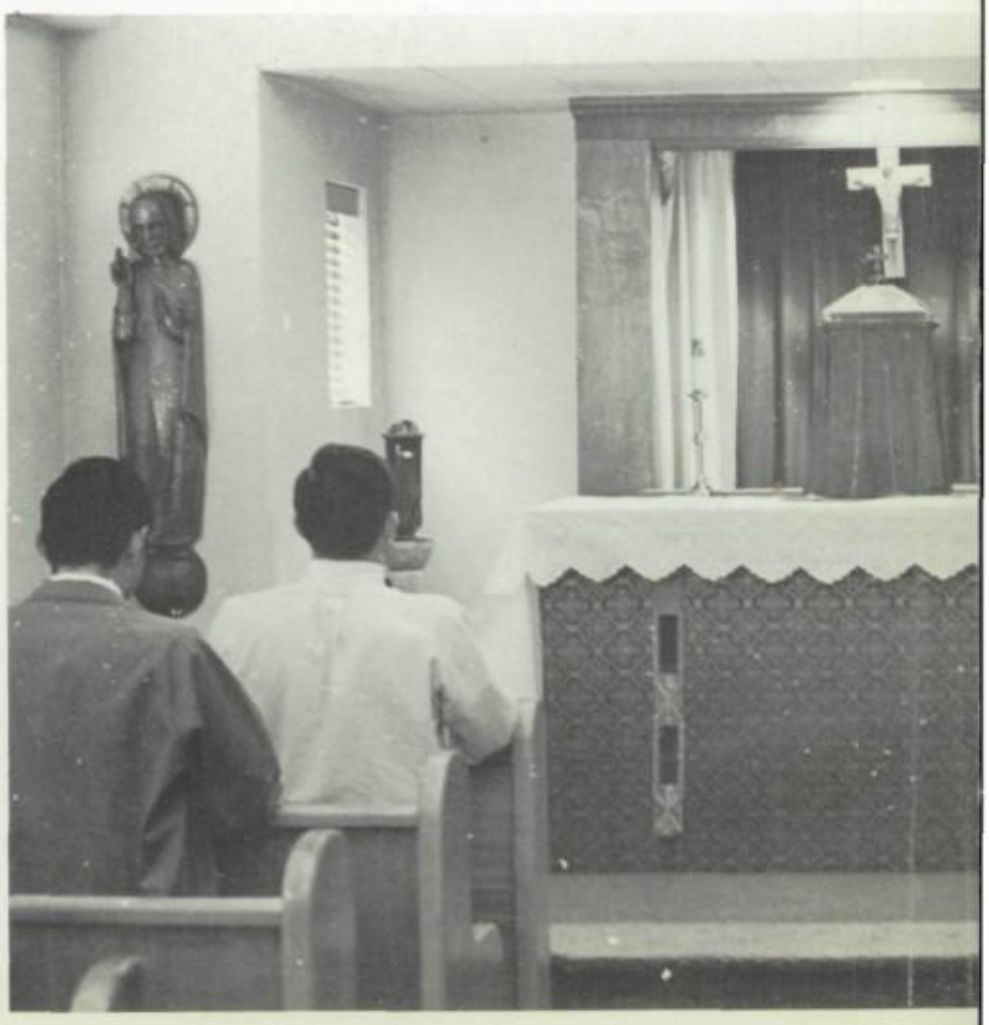
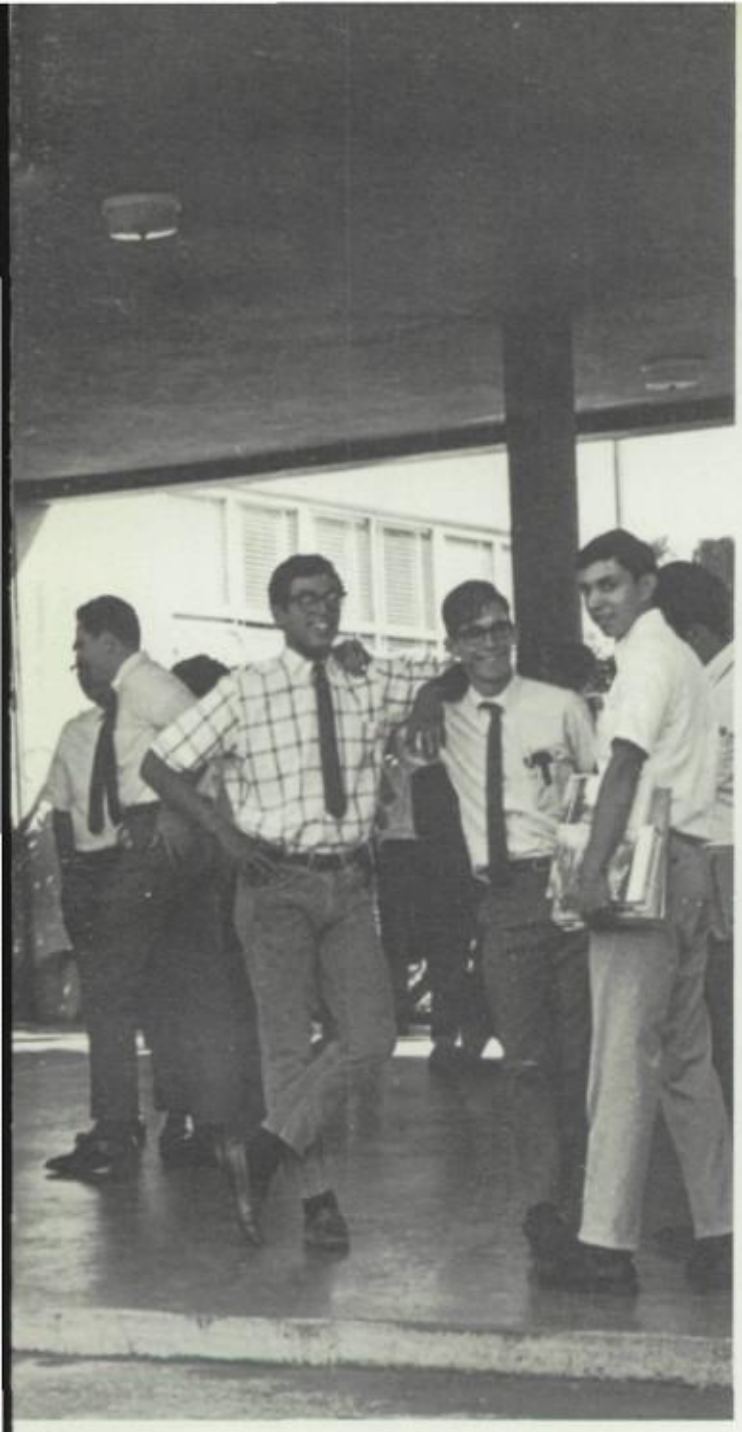
Four Years . . .

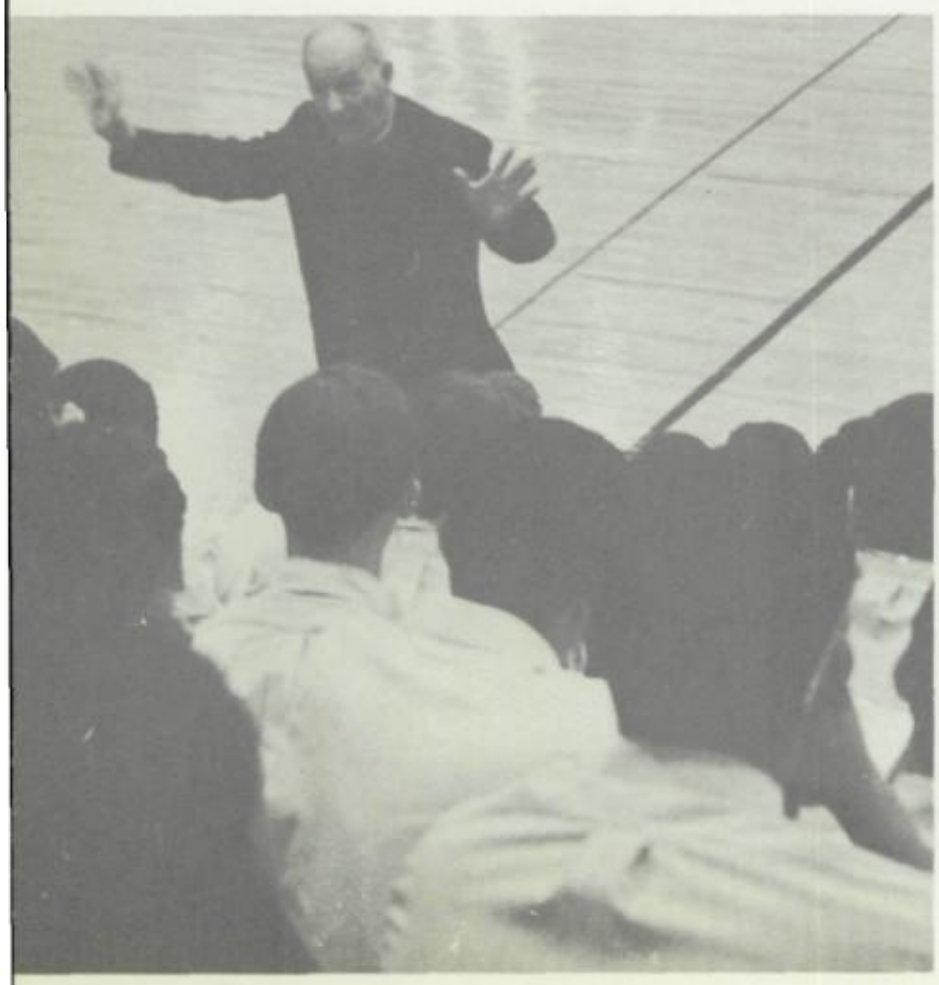
A time
of social and
spiritual growth,
in which to develop a set
of values to use as a matrix
for reshaping the community
and the world,
we must face . . .
A time
to identify the virtues of others
and infuse those qualities
into our own lives . . .
A time
to learn how to influence
those around us . . .
A time
to make some lasting friendships . . .
A time
to mature . . .
A time to develop mentally,
to gain an understanding
of the total world around us,
to acquire a modicum of knowledge
of our age, our heritage . . .











A time
to work together for common goals
in physical competition . . .
A time
to acquire the habit of victory,
the habit of complete dedication
to the task at hand . . .
A time
to discover or perfect talents
by participation or
individual effort . . .
A time
to learn personal responsibility
and generosity . . .
A time
to realize the value of desire
of spirit . . .
A time
to enrich every facet
of ourselves in the
traditions of Cantwell.

and then on . . .

All Santa Fe League defensive player of the year, Rocky Paulin, leads the way for All League halfback, Dave Taylor.

This year's Varsity Football team was one of the finest Cantwell has put out for many years. Under the excellent direction of their new head coach, Mr. Dick Larson, and assistants Mr. Al Rosmino, Mr. Ed Riley, Mr. Frank Arciero, and Mr. Harlan Mayne, the team soared to great heights as they went on to take second place in the Santa Fe League.

In the season opener, the Cards lost a heart-breaker to rival Cathedral. But the spirited team went on to win the remaining three pre-season games, which included the defeat of nearby Garfield and two shut-outs, against Duarte and Salesian.

As league play opened, the Red Birds added to the glamour and excitement of their Homecoming by defeating Damian in a shut-out. But, with the possibility of the league championship clearly in reach, the Cards were defeated by St. John Bosco, thus losing almost all hope for a first place position in the league. But the proud and dauntless team came right back to demolish Mission and shut-out both Verbum Dei and Pater Noster, thus finishing the season with a record of seven wins and only two loses, the best record for the Cards in nine years.

The Cards were lead by their fine co-captains, Rich Gomez, who was name to the all-League first defensive team, and Rocky Paulin, who was name to both the All-League first offensive and defensive teams, and was awarded the title of Most Valuable Player in the All-League first defensive team. Also name to the All-League first offensive team were Tino Urango and Dave Taylor. Other players who gave outstanding performances during the season were Bob Kaczmarek, Gary Schmidt, and Charles Galvan, all who made All-League second team, and Tom Brooks, Martin Hernandez, Fred Abadie, Dexter Massa, Mike Villa, Leo Benavidez, Kent Belarde, Joe Rimio, and Dave Johnson. Congratulations to Coach Larson and to the Cantwell Cardinals for their outstanding performance.

Fred Abadie runs quarterback keeper with an assist from Rudy Aros.

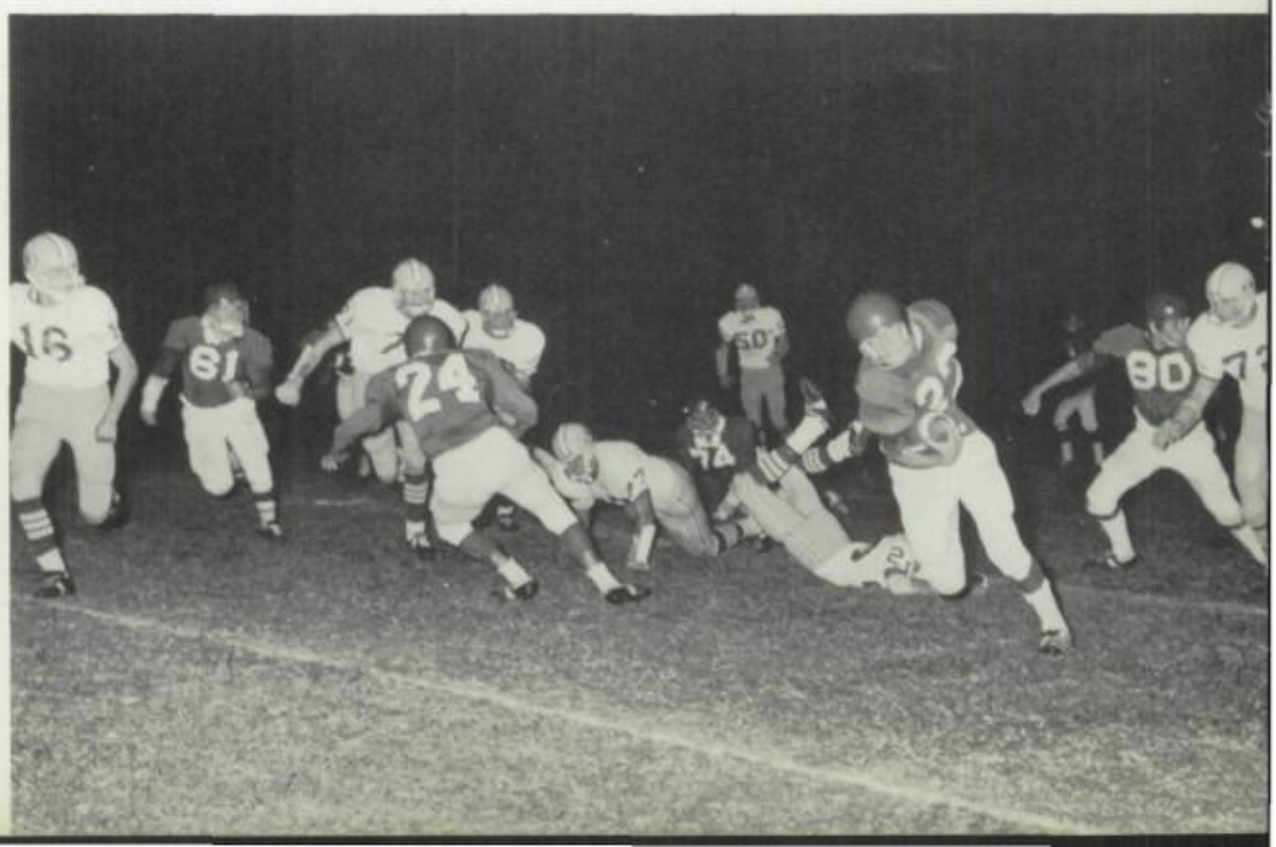
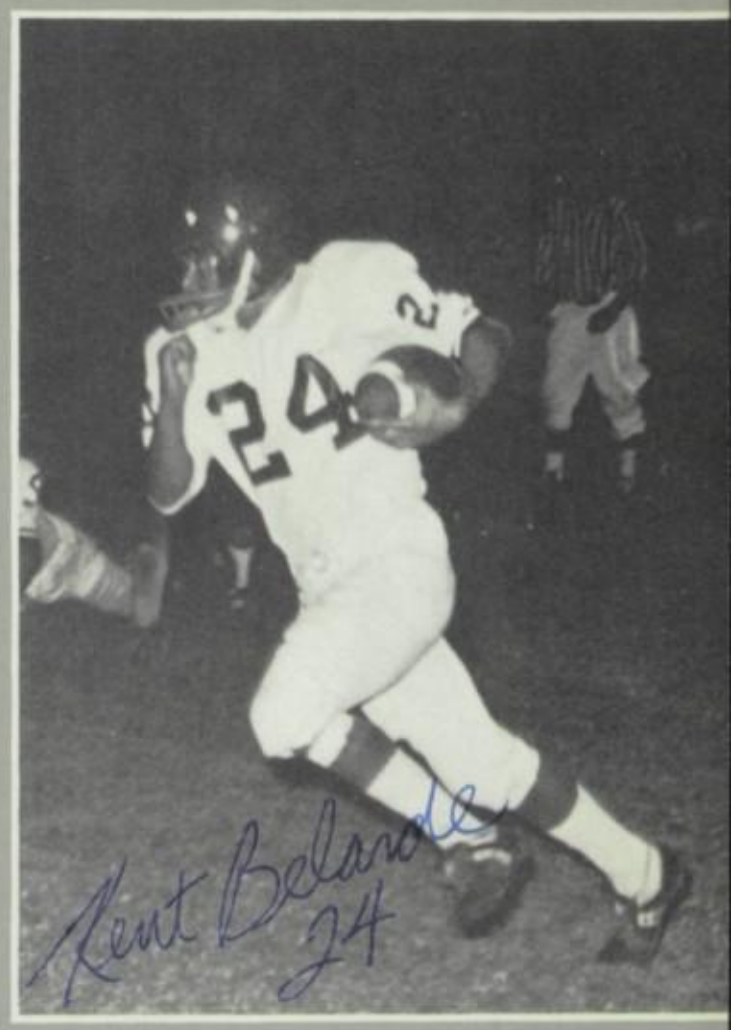
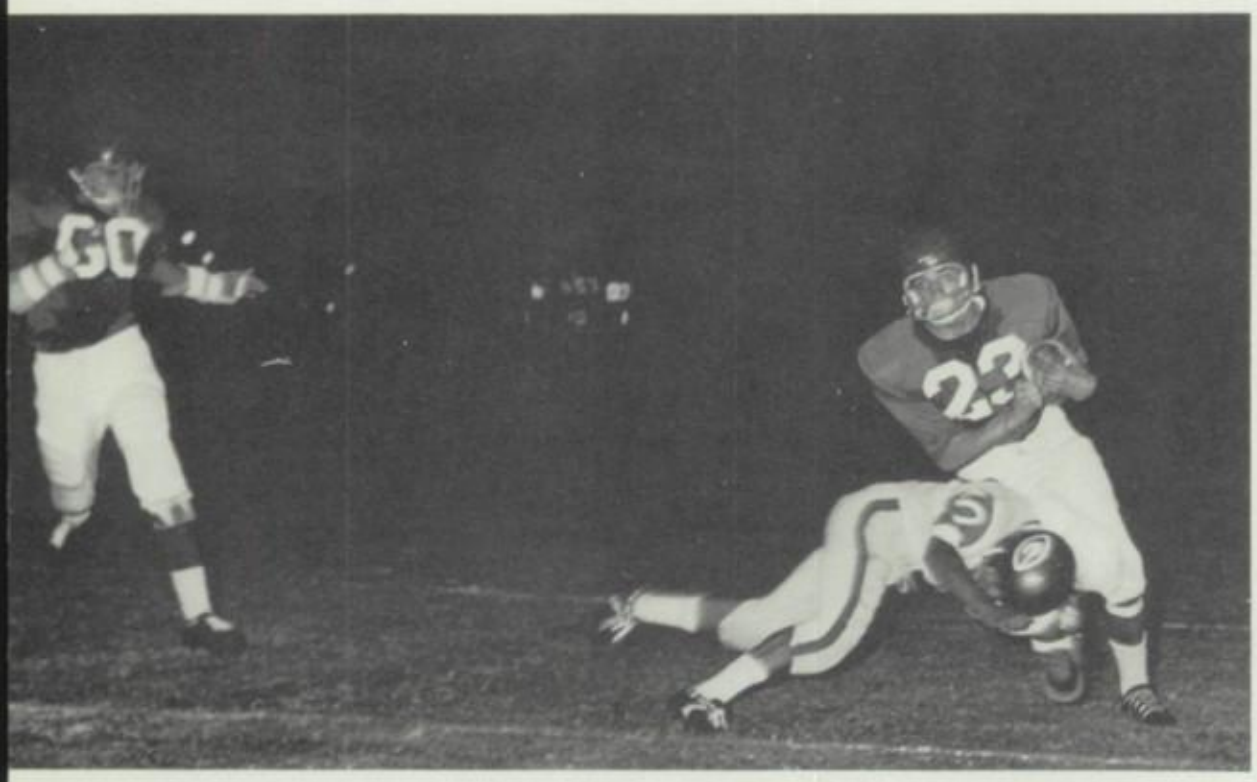
Dave Johnson breaks off-tackle against Damien as the Cards look for blocking dummies for a little practice.



Leading ground gainer, Dave Johnson, stretches for extra yards against Garfield.



Kent Belarde works counterplay against Mission.



Halfback Dave Taylor leans on a Garfield tackler as Tino Urango rushes to aid.

All League Tackle, Rocky Paulin, lives up to his billing at the expense of Damien while Tom Brooks hovers over.

KNEELING: M. Lara, R. Garcia, G. Papac, M. Montoya, C. Jiminez, D. Alegria, J. Gutierrez. *2ND ROW:* T. Davis, T. Gonzales, D. Biera, K. McGinn, R. Samniego, D. Mendez, M. Derus, L. The Junior Varsity season was a success in that the team served a demanding apprenticeship which should prepare them for the Varsity team next year.

The team didn't have the overall strength needed to win games. The season record was seven losses with two other games ending in a tie. The picture is more promising than the scores would indicate. Brother Fairleigh, the J. V. coach, feels he has a number from his group who should make a solid contribution to the senior team next year.

What pleased Coach Fairleigh the most throughout the season was the excellent mental attitude of the team. The spirit was impressive. At no time during the season did the players show any sign of letting up. On the contrary, aggressiveness and hard hitting characterized their play.

Roland Benavidez breaks up the middle escorted by Rick Samaniego and Albert Gonzales.

Bob Garcia lends a block for Ernie Cooper in a substational game against Mission.

Dave Foulenfont gets an easy two against the Damien Spartans.

The 1968-69 Basketball season can be summed up in three words: inexperience, inconsistency, and injury.

Cantwell has been in the C.I.F. playoffs seven times in the last eleven years, winning 67% of its games during that span. When comparing this years club to that record it may not seem successful. Such was not the case. The Cardinals, playing with a front line consistency of two playing who did not play last year, one sophomore and the remainder from last years J.V.'s and a back-court weakend by the inability of Rene Romero to practice after sustaining a mid season knee injury, managed a first division finish and an over all winning season in Coach Neil Edwards fourth year at the helm.

All Santa Fe League guard Rene Romero (393 pts.) led the club in scoring, while Tim Shannon (183 pts.) did the same in the rebounding department. Consistent play was contributed this season by Dave Foulenfont, Robert Kaczmarek, Mike Ward, Mike Villa and Paul Garza.

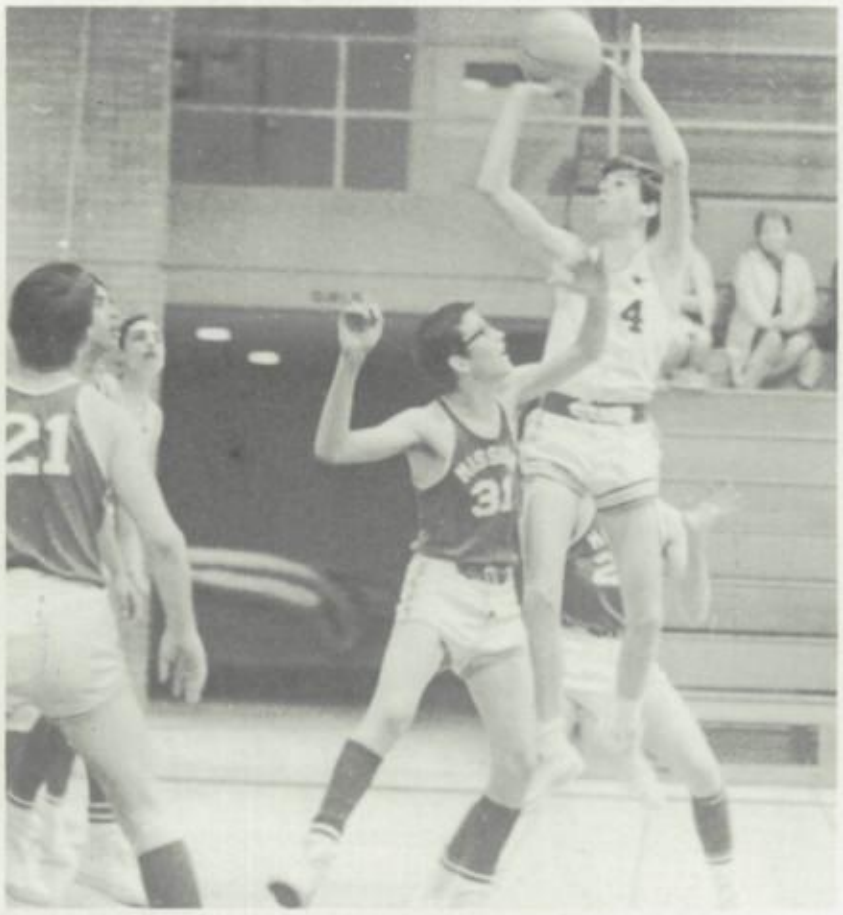
BEE BASKETBALL



Ray Rickards, a much improved player, shows his shooting form.

Striving for success, Cantwell Bees gave their all for the team. Prior to league play the Bees came in third place in the Mark Keppel Tournament. When the first two league games were in the bag, it looked as if the Bees were to be real winners. The bombshell fell in the third league game against La Salle and again against Verbum Dei. But as many times as the spirited Bees were defeated, they bounced back with a solid victory.

Lead by their fine coach, Br. Smith, the team's enthusiasm and hard hitting drive made them unforgetable. Players like Bill O'Brien, Tony Acosta and Bill Nuanes made the team hard to put down. Bill O'Brien, a freshman, was tops in scoring 28 points leading the Bees to a plucking of the Eagles. If this was not enough, Bill Nuanes scored 21 points against the tough Verbum Dei team. Other fine supporting players were John Deily, Darryl Reames, Mike Cervantes, Terry Hotchkiss and Ray Richards, who had a late start but turned out to be an excellent player. The entire team was an asset to the school and to all sports.

The Cee Team of this year outdid most recent Cantwell Cee Teams by amassing sixteen victories while losing only three games. This excellent record brought the Cantwell Cees second place in league competition. This highly successful campaign was made possible by the combined effort of the players under the direction of their coach, Brother Flynn. Some players worthy at mention are: Richard Acosta, who amassed 170 points and 135 rebounds; Dennis Duvall who cashed in 165 points and pulled down 130 rebounds, and Danny Valdez who had 110 points and 100 rebounds. The ballhandling chores were left in the hands of James Sullivan and Michael Baumler, who scored 50 and 65 points respectively.

TO R.:* Assistant Coach Frank Arciero, Gil Valdiviez, Mike Villa, Rich Gomez, Fred Abadie, Louie Carreras, Bob Kaczmarek, Luke Cleseri, Mike Chval, Al Alegria, Head Coach Dick Larson. *KNEELING:* Tom Eckenrode, Tony Valdez, Mike Petrick, Ernie Cooper, Bob Hinojosa, Dave Taylor, Tim O'Brien, Dan Biera.

The Cantwell Varsity can look forward to a very promising and rewarding season in 1969. Coach Dick Larson will be relying heavily on the slugging power of seniors Mike Villa, Rich Gomez, Bob Kaczmarek, and sophomore Dan Biera. The squad's defensive stars are the double play combination of senior Fred Abadie (ss) and junior Ernie Cooper (2b); seniors (co-captain) Dave Taylor (OF), Bob Hinojosa (OF), and junior Mike Petrick (OF).

The pitching staff, which should benefit from Assistant Coach Frank Arciero's training, shows great promise in that three returning lettermen will be chucking for the Redbirds this season. They are senior Louie Carreras, and juniors Mike Cheval, and Tony Valdez, and with Gil Valdivez rounding out the mound corps.

If the club lives up to its expectation, the Cards can look forward to a playoff berth, continuing Cantwell's production of championship teams as in the past.

JUNIOR VARSITY BASEBALL

Bill O'Brien, absent.

Dennis Duvall swings his bat in a good but losing effort against St. Anthony's.

The Junior Varsity diamond squad, under the coaching of Br. Peterson, showed much promise for a league title this season. A predominantly sophomore squad, with some excellent frosh in starting and reserve positions, should develop well.

The pitching staff headed by Gallego, Avila, and Diskin should come through with many Cardinal wins. A strong defensive infield of Nuanes (3b), Cervantes (ss), Benavidez (2b), and Garcia (1b) should handle the short stuff while Duvall, Smith, Derus and Baumler can shag the long ones.

The team has a good "stay with it" attitude when the going gets rough and with fine hustle will come through with their share of victories. With the pitching and hitting meshing together a championship is in the offing.

The 1968 Cardinal Track Team displayed more potential than many of the Cantwell teams of recent years. Under the able coaching of Mr. Rosmino and his assistants, Mr. Riley, Mr. Ortiz, and Br. Meany, the team became one of the top three competitors in the Santa Fe League.

Points were piled up in the field events through the performances of such top team members as Tim Shannon, who hit 6'8" in the high jump; Ed Valenciana, a 20' long jumper; and Dave Johnson, a 12' plus pole vaulter. In the running events, Bill Hooker and Mark Montoya contributed strongly to the 400 and mile relay, Dave Barbosa, to the sprints and Paul Nelson, to the hurdles.

In Bee and Cee divisions, Dan Mendez, Kevin O'-Malley, Keith Mrozek and Tony Mastroangelo showed promise of great performances next season.

The Student Council displayed its zeal and interest in Cantwell and the Student Body by beginning its work during the summer months. At this time, the Council began the organization of the full season football program, by soliciting advertising and preparing the layout. Dance schedules for the school year were also prepared.

Once the school year began, the Executive Board, now assisted by newly chosen Class Presidents and Activity Representatives, carried on their work and planning at weekly meetings and conferences. Under the moderatorship of Br. Peterson, the Student Council served its essential purpose as a bridge between the students and the faculty and administration.

School dances provide the income for Council projects such as helping to underwrite the expenses of the *Cardinal* and the Senior Prom as well as other student activities.

President Tony Barrio and his Executive Board continued the tradition of excellent leadership and again made the Student Council a strong guiding hand in Cantwell activities.

The California Scholarship Federation is an organization dedicated to promoting intellectual and cultural maturity among secondary school students. Any sophomore, junior, or senior of high academic standing is eligible for membership.

The Cantwell Chapter, under the moderatorship of Br. Medvit, has endeavored to advance the academic standards of the student body. C.S.F. members have offered their services in a tutoring program within the school.

This year's officers are Richard Wall, president; Robert Weber, vice president; and John Pringle, secretary.

Local chapter members have assisted in the C.S.F. "project of the year". In conjunction with other C.S.F. chapters they have helped raise money for expanding and equipping a school in Africa which was originally built as a C.S.F. project.

SPEECH AND DEBATE

Robert Gilbert, President of Speech and Debate makes a point the on debate topic of compulsory military service.

With a purpose to develop Catholic leadership, the 1968-69 Cantwell Speech Club set out on a road of tough competitive speech tournaments. Under the leadership of moderator Brother Eagle, the Club represented Cantwell in many local and state contests. Lacking experience and size the young squad, led by senior president Bob Gilber, weathered well in competition.

In novice debate, Cantwell had three teams that showed great promise for the future. These trams of Art Revueltas and Richard Reyes, Peter Holmes and Arthur Acevedo, Jean-Louis Carmona and Michael Alegria all showed fine talent against sometimes older and more experienced teams. With teams like these, Cantwell has a bright future in this endeavor.

In varsity debate, Cantwell's team of seniors Bob Gilbert and Michael Regan showed great spirit. Michael Regan having never debated before in his life stepped right in to fill a spot on our varsity team. Anchoring our varsity team was senior Bob Gilbert who carried on the winning tradition of the Cantwell Speech Club.

SEATED L. TO R: Mike Regan, Robert Gilbert, David Campbell. *STANDING:* Mike Alegria, Jean-Louis Carmona, Richard Reyes, Mike Shannon, Peter Holmes and Arturo Revueltas.

LIBRARY CLUB

The main purpose of this year's library club was to assist the librarians in their many duties in serving the school. The moderators of the Club are Mr. Keller and Br. Keogh. The Club officers, are as follows: John Cekala, President and Michael Marino, Vice-President.

Some members make sure that all the books are kept in proper order. Still other members maintain a constant watch on the library during the lunch and activity periods. Everyone is always busy in the processing of books and preparing them. Some other duties of the club include taking care of the audio-visual material and arranging the annual trophy displays and the bulletin boards. These bulletin boards are used for displaying new and old books on various important, unusual or interesting subjects. All in all the Library Club serves a very important function in serving the students and faculty of Cantwell.

Joel Blakely, Pat O'Brien, and Charles Plunkett assist in preparing Catalogue cards for reference.

SEATED L. TO R: John Cekala, Mike Marino, Joel Blakely, Miguel Conteras. *STANDING:* Pat O'Brien, Henry Lara, Victor Guzman, Charles Plunkett, Tim Lozier.

Mike Marino and John Cekala restack volumes taken from the often used reference shelves.

CARDINAL CHESS CLUB

L. TO R: Gary Candelaria, Robert Weber, Jose Corral, David Barraza, Steve Blancarte, Dan Woods, Bill Pena, Jose Vasquez.

Since its founding in 1963, the Chess Club has been given little recognition within the school. It is well known outside the school, however. Re-organized after being dissolved in 1967, the Cantwell Chess Club is again making itself heard. Some fifty members of the club practice and improved their art every activity period. The top five players then enter into inter-school matches.

Under its moderator, Br. Medvit, and led by President Richard Sperry, Vice-President Robert Weber, and Secretary Bill Peña, the team is making a name for itself and for Cantwell in the Whittier Chess League. The team has won all of its matches and has won the Division Championship and also in contention for the High School Championship.

However, the other members of the club are not forgotten. They compete with each other in matches arranged by the secretary and Br. Medvit and are always seeking to improve their ability and perfect their game. All hope that someday they will represent Cantwell on the chess team. The entire club intends to see that what happened in 1967 will never be repeated as the team has brought Cantwell its first chess league championship.

The Cardinal

This year the Cardinal strived for greater and more significant achievements. Handicapped by a small working staff, the members of the Cardinal, contributed long hours toward bettering the Cantwell publication.

A new idea, this year, was the Supplement which would, at little expense, present the student body with weekly accounts such as sports or late news. This new concept in Cantwell journalism will open the doors for the advancement of the paper in the coming years.

To inform, to announce events, and to write the student body was the expressed goal of the Cardinal this year. In order to reach a greater reading audience the Cardinal, on a $1,000 budget from the Student Council, was distributed free of cost.

The hard working editorial staff, consisting of Gave Chavez (sports), Dan Dimmit (features), Tom O'Brien (activities), and Max Benavidez (news), with their delegated authorities helped to give the student body an unbiased, cross-section of opinions, leaving no aspect of student life omitted.

Through the dedicated efforts of Br. Carroll, the paper was able to carry on the ideals that it had set for itself in the beginning of the 1968-69 school year.

RUDY ALEGRIA
Layout Editor

Working with a small but energetic staff, the VERITAS under a new moderator, Br. Hill, launched publication in September. The search for a solid staff of capable and willing workers took a while, but thankfully the right group was put together.

The staff and moderator sought to produce an improved book, especially in respect to photography, tasteful design and financial success.

To the lay-out staff, which had as its editor Rudy Alegria, was given the delicate task of the organizing and designing of each page.

In the business staff was combined the jobs of selling books, keeping records, and acquiring additionally needed money through the sale of advertisements.

The photography department, which was headed by Steve Haluska and greatly assisted by George Bradley, spent a great amount of time taking pictures, developing film, and improving its methods of photography. This job was particularly a painstaking one as many pictures which were carefully taken and anxiously awaited never turned out.

To Sam Castaneda went the tedious chore of typing most of the printed material in the book. This work was always efficiently, but not always quickly done.

The moderator and the staff was greatly aided by Richard de la Peña, Editor-in-Chief, who took the lead in work and accepted personal responsibility for each phase of production.

The Editorial staff, Steve Haluska, photography; Greg Amour, business; Bob Melendez, sports editor; Rudy Alegria, layout; confers with the Editor-in-Chief, Rich de la Pena.

Business Staff: John Urban, Gus Ducoulombier, Greg Amour, Phil Sheehan, Dan Dimmit.

DANCE COMMITTEE

Every year a selected group of students is chosen to organize and run the dances at Cantwell. This year's Dance Committee has continued the Cantwell's tradition of great dances by offering such established groups as The Showmen, The Evergreen Blues, and the Professions. All members of the committee could regularly be seen either setting up the cafeteria after school, collecting money at the dance or cleaning up early Saturday morning. This year, the Dance Committee was led by senior John Lizzi and his assistant junior Chuck Mancuso. Under the guidance of Br. Peterson, the Dance Committee has offered an abundance of both entertainment and funds to the student body.

Membership in the Lettermen's Club is one of the most sought after honors in Cantwell. To most people membership in this organization represents honors for athletic accomplishment. However, many forget that the Lettermen's Club is a service organization.

Under the guidance of Brother Satterthwaite, the Lettermen's Club represents Cantwell at most school functions. Throughout the year members of the club can be seen doing everything from patrolling games and dances to guarding the Christmas tree lot. Members of the club who are All League designates in their respective sports are David Paulin, Richard Gomez, David Taylor, Rene Romero, Tim Shannon, Robert Kaczmarek, Tino Urango, Gary Schmidt, and Charles Galvan.

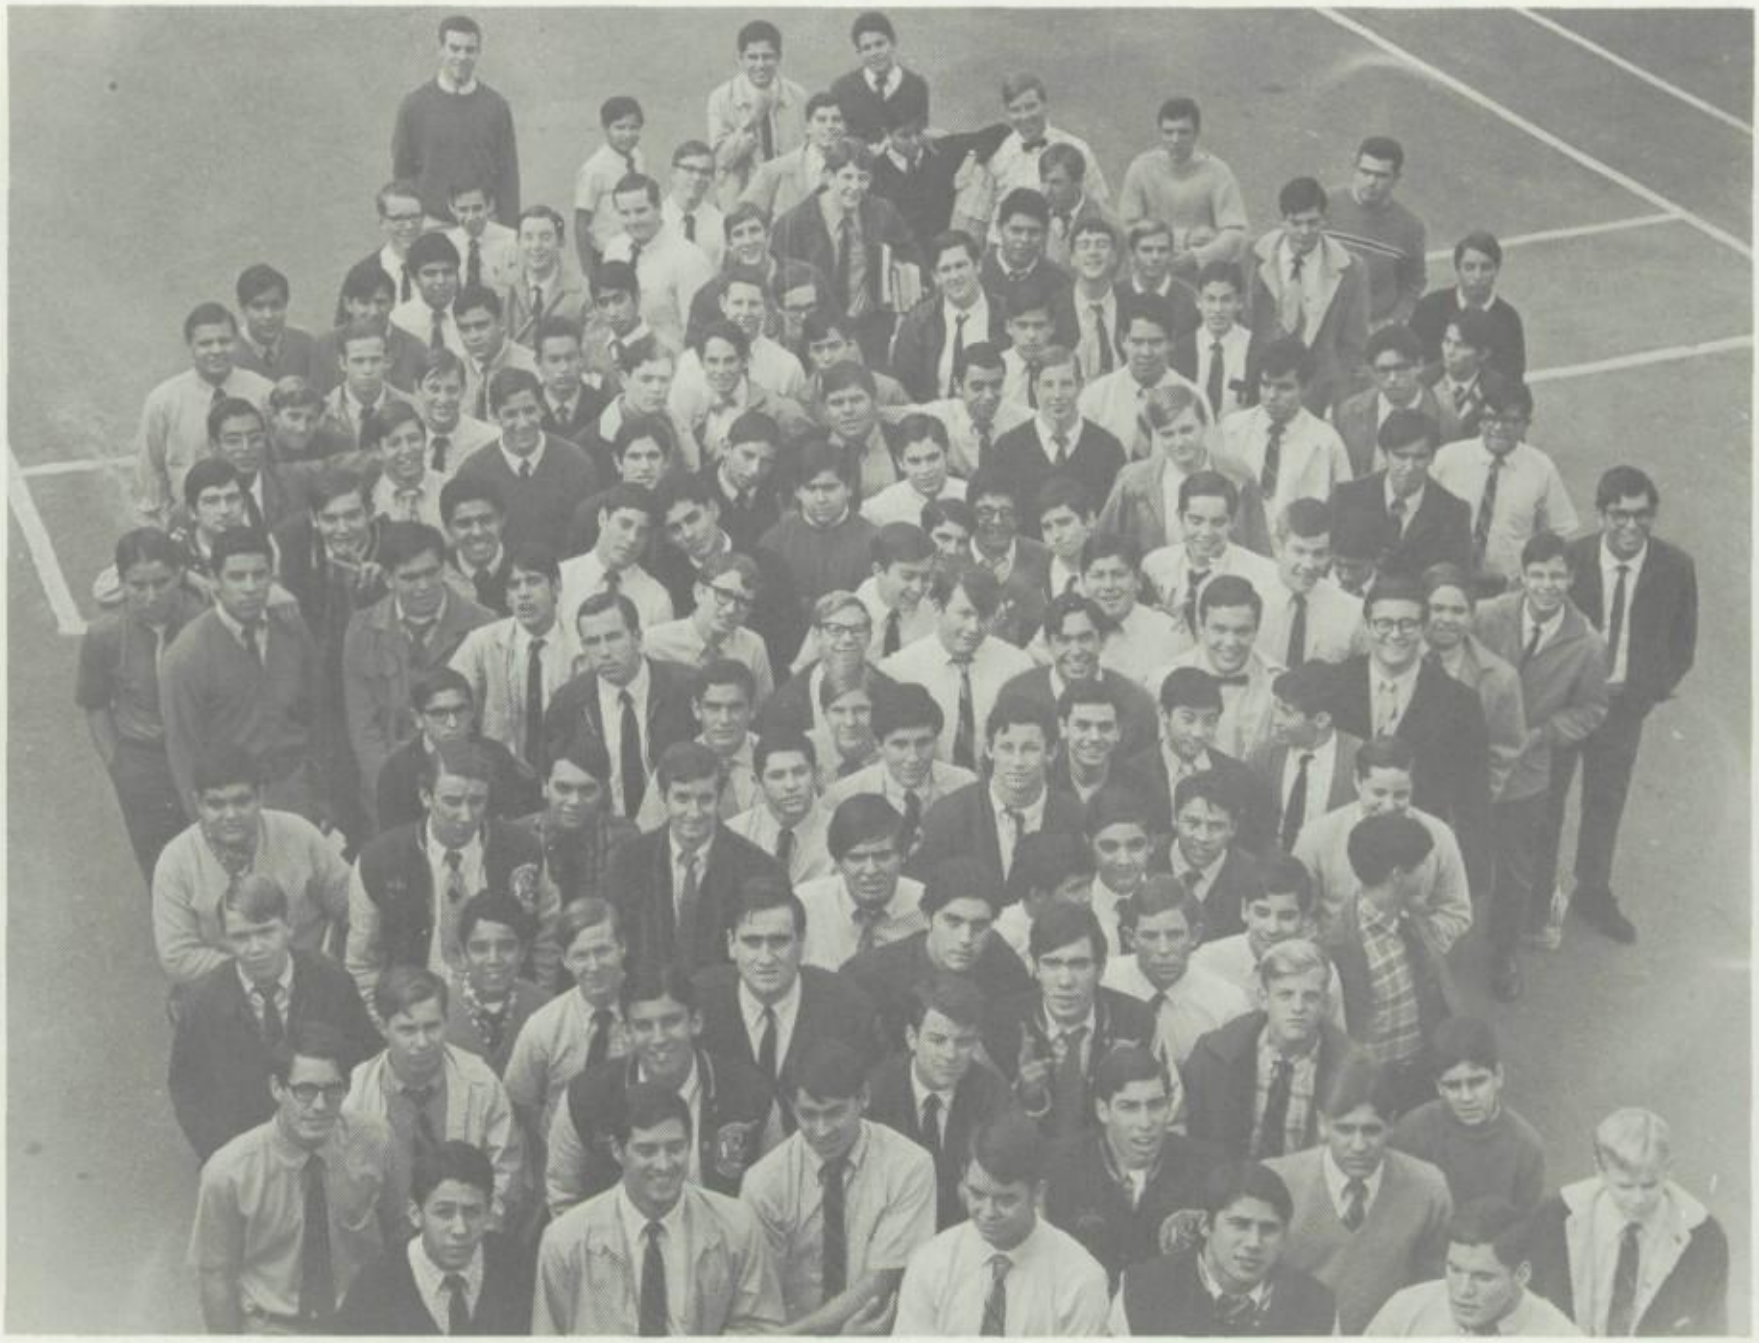
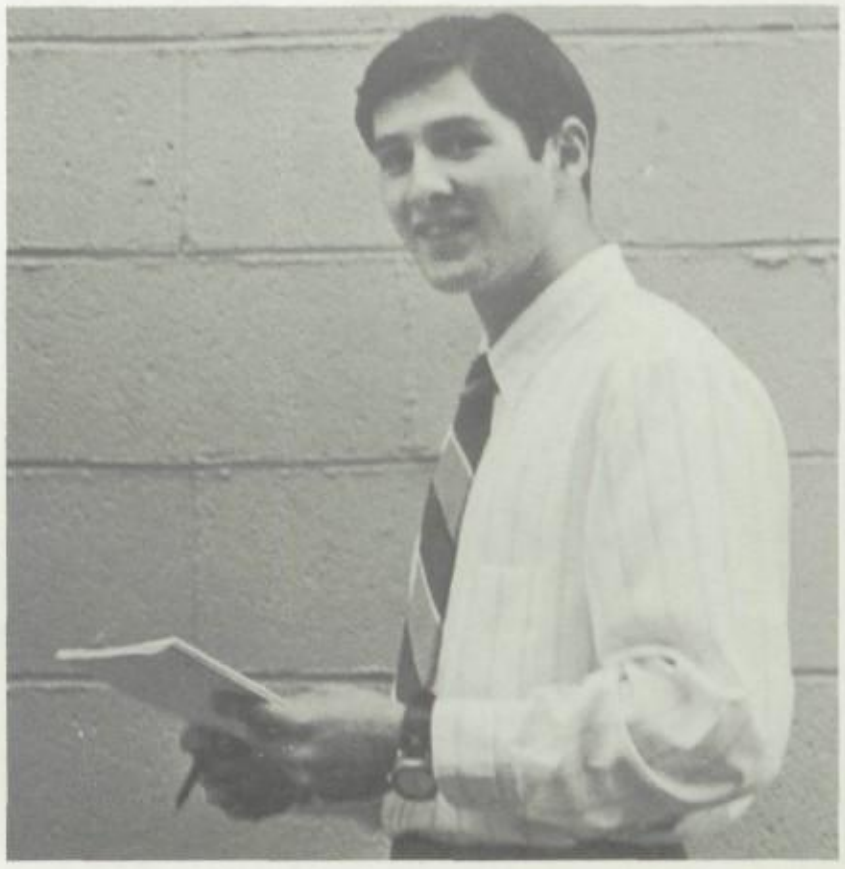
CANTWELL PEP CLUB



These spirited faces reflect the enthusiasm of the well organized and dynamic Cardinal Pep Club.

This year's Pep Club is one of the finest in Cantwell's history. Its hard work and great support has brought on a fabulous sense of spirit. The Pep Club, essential to the proper functioning of any athletic program, has engineered a greater enthusiasm for sports among all Cantwellites. Its basic activities within the club include sign making and sale of game tickets. Leading the Pep Club this year is Joseph Rimio and is moderated by Br. Peterson. Since the club had a large number of members, possibly one of the largest Pep Clubs in Cantwell's history, it was necessary to divide the club into two secessions, day and night, and these secessions into groups headed by a chairman and an assistant.



Joe Rimio, Pep Club president.

Cantwell High School is deeply indebted to the Parent's Club for its school improvement projects and fund raising activities. Our parents unstinting efforts realize multiple benefits to the institution, the faculty, and to the student body.

With the opening of school in September, the first of the year's projects got underway. The Athletic Committee began the Football Season Ticket sale. Mr. Manuel

Biera and Mrs. Barbara Haluska handled this sale and, aided by a winning team, realized great funds for the sports program.

Operating from new facilities, the Concessions Committee under Mr. Matt McDonagh and Mr. Vern Stiegmann excellently handled the needs of hungry fans at the games.

The Las Vegas Night, the year's first social event, under the direction of Mr. and Mrs. Dave Bogy proved to be

a happy and even prosperous evening for those in attendance.

The annual Faculty Christmas Party and a very successful Christmas Tree Sale under the guidance of Misters Lloyd Taylor, Joe McArdle, Sal Valdez and Joe Richards rounded out the events of 1968.

The premier event of 1969, the annual Fashion Show, "Cherry Blossom Time", reached unexpected heights. Mrs. Leyva and Mrs. McDonagh and the ladies of their committee made this one of the most successful shows in

the history of this event.

Springtime brought the spectacular Cantwell Carnival, the major undertaking of the Parents' Club. Consistent success has been the hallmark of this event and again under the chairmen, Mr. Tom Benavidez and Fred Quinn this year's effort topped previous successes.

Parent support activity was rounded out by the Fourth of July Fireworks sale, concluding a year of hard work and untold contribution to the development of Cantwell.

Many Thanks.

Editor's Note

The 1969 VERITAS staff, under the moderatorship of Br. Hill, proudly presents to the Faculty and Student Body of Cantwell High School the 1969 *VERITAS*. This is an end product of many months of hard work and planning to produce a yearbook which is representative of Cantwell. The staff hopes that the student body will be pleased with its production.

The *VERITAS* staff would like at this point to tend a great debt of appreciation to Br. Hill for his hard work, guidance, and motivation which prompted the publication of this book. A special thanks goes to Greg Amour for his excellent management of advertisement and book sales which made our production a financial success. The imagination and design of layouts by Rudy Alegria and Bob Melendez deserve mention. The patient and trying work in the darkroom by Steve Haluska and George Bradley should also be noted. We again say "thank you" to Sam Castaneda for all our copy which he typed.

The *VERITAS* expresses great thanks to Mr. William Loe of the American Yearbook Company for his help, advice, and direction. A very special thanks is given to Mr. Dick DeLange of Fichera Studios. His very professional photographic work and his patience in meeting our requests contributed greatly to the quality of our publication.

The Seniors on the staff, on behalf of their class, would like to honor Br. R. W. Satterthwaite, Br. E. H. Hickey, and Br. J. A. Houlihan, present and past teachers, as faculty members who have contributed most to the molding of the Class of 1969.

Dear Simone,

I'm sure this sounds like a typical yearbook speech, but I really am glad we've gotten to be closer friends this year. I'll never forget the times we had in chem, especially the times we had to redo it (plural) because of times we were talking. I'm really glad that I met you and I'm going to be in the same physics class next year. I'll also never forget the interesting conversations we had in the car on the way to school. I'll miss you and I'm going to be thinking of you next year. I'll always remember you as a very kind, sweet, and thoughtful person. Good luck with all your endeavors in the future. I'll miss you a lot!

Love,
Donna
